SYED DANISH
Python Developer

⚲ Aurangabad, Maharashtra | ☏ +91 86687 40849 | ✉ syeddanish6897@gmail.com

Career Objective

Aspiring Python Developer with experience in web development, AI tools, and customer experience leadership. Skilled in Flask, JavaScript, and LLM integration. Passionate about building real-world tech solutions, learning continuously, and contributing to impactful projects within a collaborative team.

Technical Skills

- **Languages**: Python, C, C++, Core Java
- **Web Technologies**: HTML, CSS, JavaScript, Flask
- **AI & Tools**: Langchain, OpenCV, LLM (Large Language Models)
- **Other Tools**: Git, VS Code, Jupyter Notebook
- **Database**: MySQL (Basic)

Experience

Team Leader – Customer Experience (CX)
Jamsfa Solutions Pvt Ltd (GrunX) | Aurangabad | Feb 2024 – mar 2025

- Led the Customer Experience (CX) department in an office environment.
- Handled support operations, resolved customer queries, and ensured timely communication.
- Worked with **Zoho Desk** for managing support tickets and tracking service performance.
- Developed leadership, client-handling, and operational skills in a fast-paced setting.

Internship Experience

Python Developer Intern
Data Binaries | Aug 2023 – Feb 2024

- Built AI-powered chatbots using Flask and integrated LLMs (Large Language Models).
- Developed web applications for automation and user interaction.

- Worked with frontend and backend technologies (Flask, HTML, CSS, JavaScript).
- Collaborated on testing and deployment of AI tools with the development team.

Projects

- **AI Assistant** – A voice/text-based assistant using LLMs to answer user queries.
- **News Website** – A real-time news aggregator built with Flask.
- **YouTube Video Downloader** – A simple Flask app to download YouTube videos via URL.
- **Text Translator** – A multi-language text translation web app.
- **PDF Chatbot** – A chatbot that reads and answers questions from PDF files using Langchain.
- **OpenCV Mini Projects** – Performed image and video processing tasks.
